

February 1, 2021

Dear Parents/Guardians of Pre-K Students:

As the parent/guardian of a current Northwoods student, if interested, we would like to give you the opportunity to be considered for Kindergarten at Northwoods Academy. Students will be selected through a random selection process. **Current enrollment at Northwoods Academy does not guarantee a slot for Kindergarten.** Each student must go through the random selection process for kindergarten.

If you would like for your student to be considered for Kindergarten at Northwoods Academy, please complete the following survey by clicking on: [Microsoft Forms "Kindergarten Interest Form"](#). This form must be completed and submitted by February 12, 2021 at 5:00 p.m. You will be notified by the E-mail provided, by March 9, 2021. **Parents will be responsible for providing transportation during the 2021-2022 school year.**

Please contact Northwoods Academy at 478-779-3200 if you have any questions concerning our Kindergarten classes or updating your information.

Thank you,

April Harriger, Ed. S.
Director
Northwoods Academy
